INSTITUT FÜR  
KUNSTSTOFFVERARBEITUNG  
IN INDUSTRIE UND HANDWERK AN DER RWTH AACHEN

# AACHEN POLYMER OPTICS DAYS INTERNATIONAL CONFERENCE APRIL 10 - 11, 2018

## Topics

- Injection molded optics
- Continuous production of planar optics and films
- Innovative optical grade polymers and applications
- Light sources and optical systems
- Digitalization for optics production

## Organization

This conference is hosted by the Fraunhofer Institute for Production Technology IPT, the Fraunhofer Institute for Laser Technology ILT and the Institute of Plastics Processing (IKV) in Industry and the Skilled Crafts at RWTH Aachen University.

## Conference Venue

Hotel Pullman Aachen Quellenhof  
Monheimsallee 52, 52062 Aachen, Germany

## Contact

Helen Sophie Kolb, Fraunhofer IPT  
Telephone +49 241 8904-287

After the successful events in 2014 and 2016 "Aachen Polymer Optics Days" will take place for the third time on April 10 - 11, 2018 in Aachen.

The international conference focuses on the latest trends and issues in the field of polymer optics and provides a wide networking and information platform for experts. This year, the conference will be one of two conferences constituting the "Aachen Optics Days".
